

## Playscript

### Skit #1 Physiological needs

<b>Characters</b>  Bayou (New to the US) Dod (live in US) Appa (Helps new people)	<b>Setting</b>  Community Center

<b>Character</b>	<b>Dialogue</b>
Bayou	"I am new to USA I need help finding an apartment "

Dod	"Oh! I know a great place that you might like."
Appa	"We can totally move you into the place in two weeks."
Bayou	"How many bedrooms does it have?" I just need one room that is affordable."
Dod	"I know the place that low-income people are given great options for an affordable price."

Appa	"We have community helper that can help you and your family."
Bayou	"Back home I only have warm weather, do you know where I can get cloths for the colder weather?"
Dod	"No problem, we have many clothes your size I can get you."
Appa	"Let us know if need anything else."

<p>Characters</p> <p>Helen (performer)</p> <p>Gale (performer)</p> <p>Mady (performer)</p>	<p>Setting</p> <p>Dance Center</p>
--------------------------------------------------------------------------------------------	------------------------------------

Helen	“Are you guys excited for the dance tournament”
Gale	“I am so excited to show my family.”
Mady	“I am so nervous for my solo performance!” “I might switch with someone to do because I don't think it good enough yet”
Helen	“No way!” it is so good!”
Gale	“You got it, you practiced so hard for this.”
Mady	“Do you really believe that?”
Gale, Helen	“Yes!” we have watched you do it a million time and you are definitely ready.”
Mady	“OK, I will try to be brave and do it” Thanks for encouraging me, you guys are great friends”
